## Full Stack Developer

Depok, Indonesia | +6281386478764 | [msodikin@students.hacktiv8.ac.id](mailto:msodikin@students.hacktiv8.ac.id) | [LinkedIn](#) | [Github/Portfolio](#)

### SUMMARY

I am a Full Stack Developer with a solid foundation in leadership, communication, analytical skills, problem-solving, and a strong work ethic. After transitioning from the coffee industry to technology, I discovered a deep passion for programming and pursued self-learning through both online and offline courses. I possess a strong ability to quickly adapt and continuously improve with focus on doing repetition practice and analyzing user requirements to deliver effective, user-centered solutions as Front-end.
