Muhamad Sodikin
Full Stack Developer

Depok, Indonesia | +6281386478764 | msodikin@students.hacktiv8.ac.id | [LinkedIn](#) | [Github](#) | [Portfolio](#)

SUMMARY

I am a Full Stack Developer with a solid foundation in leadership, communication, analytical skills, problem-solving, and a strong work ethic. After transitioning from the coffee industry to technology, I discovered a deep passion for programming and pursued self-learning through both online and offline courses. I possess a strong ability to quickly adapt and continuously improve with focus on doing repetition practice.
